Extra! Extra! Community Council Takes Big Step Forward

We're putting out a special edition of the newsletter to let everyone know about the important vote October 18, at the portable on M.L. King School playground.

Here is a final look at all the suggestions we've had for a new name for our community council. Thanks to everyone who participated... we have some very creative people in the nabe!

Tuesday, October 18, 1994, we will devote the entire council meeting to voting on the many choices shown here. We will have two ballots: the first one to narrow the choices, and the second to decide a new name. A moderator, unaffiliated with our neighborhood, will conduct the election.

The fabulous prize going to the suggestor of the winning name is twofold: 10 free videos from Madison Video and a basketful of gourmet goodies put together by volunteers.

We will officially introduce ourselves using our new name on November 4, at the annual Spaghetti Dinner. So be sure to come out and vote and return for good times at the dinner (see ad on back of newsletter).

Now, here once again is the list of choices. **Remember, you must be present at the meeting to vote, so see you Tuesday at 7:30!**

King School News

by Merri Huffine

We're off to a great start this year! Enrollment is up 51% from last year ... morale is high ... and our wonderful principal, Euhania Hairston, is guiding us to new heights. Here are some upcoming events we'd like you to know about.

October 10th & 11th: Pacific Northwest Ballet is coming to the school to screen our 3rd and 4th graders for dance scholarships. King is becoming well known as a unique performing arts elementary school, and some students recently danced at Meany Hall with a visiting N.Y. dance troupe.

October 19th: There will be a major computer demonstration for VIP's anxious to observe our school's cutting-edge technology. Thanks to donations from McCaw Cellular, we are now literally at the forefront of U.S. public schools. We've attracted the attention of the Governor, the Mayor, the Chairman of the FCC, and several well known CEO's who plan to attend the demo.

December 3rd: Save this date for our Holiday Bazaar! Hours will probably be 10:00-3:00. Contact the school at 281-6510 if you're interested in selling. A table rents for a flat fee of \$35. We look forward to having a variety of crafts, ethnic jewelry, foods and novelties, and Santa will be available for photos.

December 15th: M. L. King School's version of "The Nutcracker" will be performed at 7:00 p.m. at Langston Hughes (*free admission*).

Hope you can join us ... We are proud to be your neighborhood school, and we value the involvement of our wonderful community. Come visit anytime!

Looking for a Workout?

We need treeplanters (and shrubplanters) to work weekends during late October and November in the Harrison Ridge Greenbelt.

Plants have started to arrive and more are on the way. Now is the time, when your yardwork is done, the kids are in school, and before the holidays start to get too close.... **VOLUNTEER!**

We need lots of hands to make our work light. Please call Jerry Sussman at 325-6308 or Zé daLuz at 322-4883 to let us know when you can come out.
